

United States Border Collie Handlers Association

National Finals Coats for 2016

We have three options
for you this year.

Coats need to be ordered by August 22 in order to be picked up at the finals. We will have some coats to try on at the finals and you can order then for later delivery. The vest fits to size, the brown coat may run a little large and the Port Authority long sleeve jacket fits to size. There are some really nice colors to choose from, with options for the logos.

There are two different logos for the back or lapel and you can get up to two lines of names on the front.

To order: <http://www.sheepdogfinals.com/portfolio>. This is the store tab at the finals website. Please, under directions, include what two lines you want on the lapel for names i.e. your name, dog name

If you have any questions, feel free to contact me:
