Please indicate on the entry form which dog is to be dropped should this happen. **Directions** – we are about 15 miles from Interstate 81. (GPS users: use our home address on registration form but follow my directions if you are towing or have a large rig)

**...from I81 Southbound:** Get off at the third Cortland exit (Polkville), #10, and get onto Route 11 South (to avoid Cortland and a few large hills if you're pulling a trailer or whatever). Go approximately 7 miles and turn right onto Route 392 West, as if going to Greek Peak Ski Resort. Travel 7 miles into the small town of Virgil. At the 4-way stop, turn left, continuing on Route 392. Take the second left out of town, Owego Hill Road. Go one mile and take a left at the stop sign. The entrance to the trial field is about ¼ mile on your right.

**...from I81 Northbound:** Get off at the Marathon exit, #9 and get onto Route 11 North (to avoid hilly back roads). Go about 4 miles and take a left onto Route 392 West, as if going to Greek Peak Ski Resort. Travel 7 miles into the small town of Virgil. At the 4-way stop, turn left, continuing on Route 392. Take the second left, Owego Hill Road (this road is between two big arrows pointing out the curve to the right). Go one mile and take a left at the stop sign. The entrance to the trial field is about ¼ mile on your right.

**...from Ithaca and points west:** Take Route 13 into Dryden. At the light go straight putting you onto Route 392 East, as if going to Greek Peak Ski Resort. Travel approximately 5 miles and take a right turn onto Owego Hill Rd. Go one mile and take a left at the stop sign. The entrance to the trial field is about ¼ mile on your right.

**...from Owego and points south:** Take Route 38 North, turn right onto Daisy Hollow Rd. after the small town of Hartford. Keep on this road for about 5 miles. It comes to a stop; go straight for about one mile. The entrance to the trial field is on your right.
