Sheepdog Nationals Judge Ballot

Four judges will be selected. Each director can vote for as many nominees as he or she chooses. You can enter 0 for any nominee you do not wish to vote for. You can enter your preferences as follows: Assign first place choice the same number as the total judges nominated. For example if there are 8 judges nominated, your first choice will be given 8, 2nd choice will be given 7 and so on until everyone you want to vote for has a number. The secretary shall total the numbers assigned to each nominee by all the directors and, after confirming their willingness to serve, shall notify the directors of the four nominees receiving the highest total, who shall be deemed elected. If for any reason an elected judge cannot serve, the nominee receiving the next highest number of points shall be substituted. **On this ballot there are 12 sheepdog nominees and 1 cattle dog nominee**
