7. Novice Field Information –

- Novice Field classes may be limited to 2 dogs per handler.
- All handlers' meetings will take place prior to each class, except for Open Ranch 1. This meeting is scheduled for 4:30pm on Tuesday, May 12th.
- Nursery dogs will be required to enter Classes 1 & 2 jointly and Classes 3 & 4 jointly. Single class entries will not be permitted. Nursery wait lists will be drawn based on this combination. For example: A nursery dog may be accepted in Classes 1 & 2 and wait listed in Classes 3 & 4.

- All entries are subject to a **random draw**. It is possible for a dog to be accepted in one (1) class and on the wait list in another. It is also possible for a handler to draw in two (2) dogs prior to a handler drawing in one (1) dog.
 - Handlers may not leave the post to walk up the field to assist their dog in locating the sheep.
 - Handlers may enter separate dogs in Open Ranch & Pro Novice, or they may enter separate dogs in Pro Novice & Novice. Handlers may not enter dogs in all three (3) of these classes. Please read Class Descriptions at <http://bluegrassclassicsdt.org/class-descriptions/>
 - If a Handler enters Novice, that Handler may not enter Open Ranch or Nursery. Please read Class Descriptions at <http://bluegrassclassicsdt.org/class-descriptions/>
 - Novice/Novice handlers are required to wear, not drive. Please read Class Descriptions at <http://bluegrassclassicsdt.org/class-descriptions/>
 - A standard may be implemented if necessary; a lack of progress policy will always be in effect.
 - Judges, Course Directors with Judge approval, have the authority to call off any dog/handler team if the dog appears to be overheated.
8. Tie Breakers – If two or more competitors stand equal in points, the judge and the KBCA Board will settle their priority: 1) by the combined points for the gather, 2) by each subsequent phase of the trial [i.e., the drive, shed & pen], and 3) by going back to the individual points of the outrun, then the lift, then the fetch. If the tie is not broken by this process, then run-off for 1st place will occur if daylight permits.
9. Double Lift Final –
- Rule for qualifying the Top 21 for the Final Round - the top 7 dogs from Open 1 & the top 7 dogs from Open 2, not already qualified, will advance to the final round. Upon completion of all preliminary runs, the top 7 dogs with the highest cumulative scores, not already qualified, will advance to the final round. No handler will be allowed to run more than 2 dogs in the Double Lift.
 - Appropriate attire is suggested for the double lift finals. Collared shirts, vests, ties &/or jackets are required for men, blouses for women; no sandals, shorts, t-shirts, or athletic attire (i.e., sweats). Suitable outerwear is allowed, weather permitting.
10. Weather – Please note the weather in Lexington during the month of May can vary greatly from day to day. There is a high probability the temperatures will be in the 80's with high humidity. All handlers are encouraged to protect their dogs from overheating, in all classes. There will be multiple water stations on both fields for this use.
