RANGE EWES

It is not worth it at all, there is always next year.

Planned mitigation:

Extra wash station, extra toilet(s), hand-sanitizer available in numerous areas, and reminders by my big mouth to do your part in keeping all safe. There will be no gate for the pen, and no handler's post, we will use traffic cones.

You are instructed not to hang out in groups. (This time this will not be a social gathering, but numerous competitions) No public is invited, but family is ok. Trial direction signs very limited to not have public encouraged to come in.

We are on a moderately busy road, and do not want anyone ratting on us. please keep this in mind

Judge(s) clerks, and course director to be kept fairly isolated.

I will allow a greater viewing area to enable all to sit apart when watching.

Camping:

All camping is to be separated from one another 50' if possible. Please give NO reason for someone to rat on us.

Appearances are everything

Creston is basically a ghost town right now, so be prepared and bring your own food. No gas or fast food in Creston. (20 minutes to town)

Masks will not be required, if you feel you need to wear a mask, please do, everyone needs to make decisions to keep themselves safe. We are all adults

There is ample parking space, so do not squish together.

Brand new grass planting in June among the alfalfa, so limited dirt, YAY!

I will do my best to make these trials fun.
